

Welcome to the Heritage Lake Watercraft Operating Permit Testing

Our test is designed to help assure you know our safety rules before venturing out on the water in a powered craft. We do NOT want you to fail, and the test is not designed to cause that. You can take the test as many times as you need to achieve a passing score. Plus, it is an open book test to help you achieve success the first time!

To review the Heritage Lake Rules Booklet click the button below.

When you are ready to take the test, click the button below.

[Take the Test](#)

During testing and when complete you will receive feedback. When you are done and receive a passing score you will be given a completion certificate and receive an email with that as well.

Thank You
